Provided that—

(*a*) as regards size, they are not more than 5½ by 3½ inches or less than 4½ by 3 inches, and
(*b*) as regards substance, they are neither thicker nor more flexible than the inland postcards issued by the Post Office.

6. All reply postcards of private manufacture shall display the title "Postcard" on the address-side, but this title is not obligatory for single cards of private manufacture. 13. If a book packet is found to contain anything not permitted by the rules, or to be in excess of the prescribed size, or to be packed in a manner not in accordance with the rules, it shall be charged on delivery with letter or parcel postage, whichever may be less. 62. A receipt shall be given to the person who presents a foreign letter or parcel for insurance at the window of the Post Office during the hours prescribed for posting insured foreign articles.

63. There shall be payable to the sender, or, in default or at the request of the sender, to the addressee of a foreign letter or parcel which has been insured by the Post Office of India and posted in India, compensation not exceeding the amount for which the article has been insured, for the loss of the article or its contents or for any damage caused to it in course of transmission by post, and the sender shall in case of loss, also be entitled to a refund of the expenses of transmission as well as of any fee that he may have paid for an enquiry as to the disposal of the article, but in no case to a refund of the insurance fee paid.

Provided that the compensation shall in no case exceed the value of the article lost or the amount of the damage caused:

Provided, also, that no compensation shall be payable—

(*a*) where the loss or damage has been caused by the fault or negligence of the sender, or arises from the nature of the article;

64. Where a foreign parcel contains coin, bullion, precious stones, jewellery, or articles of gold or silver, it shall not be accepted for transmission by post unless the sender wishes to insure it. If a foreign parcel containing any such object of value is addressed to a country or place to which insurance is not available, the parcel shall be insured for its inland transit within the limits of British India, and in such cases the fee charged for insurance shall be calculated as follows:—

(*a*) *When the value is expressed in rupee currency*—

	ANNAS

(2) If an uninsured foreign parcel, declared to contain or manifestly containing any of the objects of value specified above, is received from a country with which, as notified by the Director-General in the *Indian Postal Guide*, insured parcels can be exchanged, the parcel shall either be intercepted and returned to the sender or forwarded to destination and delivered to the addressee, subject to the payment of a fee of one rupee. The payment of this fee shall not impose any liability on the Secretary of State for India in Council.

Explanation.—In this rule the expression "articles of gold or silver" includes articles made wholly or partly of gold or silver, but not electro or other plated goods.

65. Where an insured foreign letter which has been re-directed, or an insured foreign parcel which has been re-directed or returned as undeliverable, is received in India subject to a fresh insurance fee by reason of its having been so re-directed or returned, such fee shall be recoverable on delivery as if it were postage due under the Act.

PART V.—VALUE-PAYABLE POST.

I.—VALUE-PAYABLE POSTAL ARTICLES.

66. Registered and unregistered parcels, registered letters, registered book packets, newspapers prepaid at newspaper rates of postage and fully prepaid unregistered book packets, may be transmitted by the inland post as value-payable postal articles, provided that the amount specified for remittance

to the sender in the case of any such postal article shall not exceed Rs. 1,000, and shall not contain a fraction of an anna except in the case of postal articles sent by, or addressed to, any department of the Government or a District, Local, or Municipal Board, and provided that such parcels, letters, and packets do not contain coupons, tickets, certificates or introductions designed for the sale of goods on what is known as the "snowball system."

Explanation.—The words "any department of the Government" include any official department of the Government of a Native State, the posts of which have been amalgamated with the Imperial Post.

67. Postal articles as aforesaid, with the exceptions noted below, may be transmitted by post to Ceylon, Portuguese India and the Somaliland Protectorate as value-payable postal articles, provided that the amount specified for remittance to the sender in respect of any such postal article shall not exceed Rs. 500 and shall not contain a fraction of an anna, and provided that such parcels, letters and packets do not contain coupons, tickets, certificates or introductions designed for the sale of goods on what is known as the "snowball system".

Exceptions

Ceylon.—Unregistered parcels.

Portuguese India and the Somaliland Protectorate.—Unregistered parcels, unregistered book packets, and newspapers prepaid at the newspaper rates of postage.

68. No such postal article as aforesaid shall be accepted at any post office for transmission by post as a value-payable postal article unless the sender declares that it is sent in execution of a *bona fide* order received by him. At any post office notified from time to time in this behalf by the Director-General of the Post Office, the sender shall, in addition, be required to declare that the article is one the transmission of which by post as a value-payable postal article is permitted. No postal article as aforesaid shall be accepted at those offices without such further declaration.

Explanation.—An article may be sent by the value-payable post even though it possesses no intrinsic value. Thus, legal documents, bonds, policies of insurance, promissory notes, railway goods and parcel receipts, bills of lading or ordinary bills for collection may be sent as value-payable postal articles. In the case of a railway receipt or bill of lading sent as a value-payable postal article, it will be sufficient for the purposes of this rule if the article to which the railway receipt or bill of lading relates, has been sent in execution of a *bond fide* order. In the case of the other documents specified the document must be sent in execution of a *bond fide* order to send the document itself.

69. Every postal article intended to be transmitted by post as a value-payable postal article shall be presented at the post office with a printed form, prescribed by the Director-General and obtainable at the post office, in which the sender shall specify the sum to be remitted to himself, fill in the required entries, and sign the declaration required by rule 68. If the article is an unregistered parcel, unregistered book packet, or newspaper prepaid at newspaper rates of postage, a fee calculated according to the schedule below on the amount specified for remittance to the sender shall be prepaid by the sender by affixing postage stamps of the value of the fee to the article itself. The sender of a postal article intended to be transmitted by post as value-payable shall write clearly on the face of the article itself—

(*a*) in the upper left-hand corner—the letter "V P," followed by an entry, *in figures and words*, of the amount for remittance to himself, and

(*b*) on the lower left-hand corner—his own name and full address.

70. The amount to be recovered from the addressee shall be the sum specified by the sender for remittance to himself *plus*, in the case of registered parcels, registered letters, and registered book packets, a fee calculated as in rule 63. When the amount is recovered from the addressee, the sum for payment to the sender shall be remitted to him by means of a money order. If the addressee of a value payable article refuses or omits to take delivery of it the article shall be returned to the sender, who will be required to pay any charges that may be due on it, and to acknowledge receipt of the article by signing the form presented by the postman. In no circumstances will the fee prepaid in stamps, in the case of a value-payable unregistered parcel, unregistered book packet, or newspaper be refunded.

71. The Government shall not incur any liability in respect of the sum specified for remittance to the sender in respect of a value-payable postal article unless and until that sum has been received from the addressee.

II.—Transmission by post of railway receipt-notes open as value-payable articles.

72. A railway receipt-note for goods may be transmitted by post open as a value-payable postal article;

Provided that—

(a) the goods to which the railway receipt-note relates, do not exceed Rs 1,000 in value; and

(b) the railway receipt-note shows on its face that the goods to which it relates, have been consigned to the sender himself, is endorsed to the person to whom the goods are to be delivered, and is signed by the sender.

73. The open railway receipt-note shall be presented at the post office with the printed form prescribed by the Director-General for registered value-payable postal articles, in which the sender shall specify the sum to be remitted to himself, fill in the required entries and sign the declaration that the article is sent in execution of a *bond fide* order received by him.

74. A fee of two annas shall be paid on each railway receipt-note presented for transmission by post open. The fee shall be paid in postage stamps, which shall be affixed by the sender to the receipt-note.

75. The post office will transmit the open railway receipt-note to the post office of destination, and will deliver it on payment of the amount recoverable to the person to whom it has been endorsed by the sender, in such manner as the Director-General may from time to time appoint for the delivery of registered value-payable postal articles.

76. The amount when recovered will be remitted to the sender in accordance with the rules for the time being in force relating to registered value-payable postal articles.

77. A railway receipt-note for goods may be transmitted by post open under the foregoing rules, without compliance with the conditions laid down in the second proviso to rule 72, if it—

(a) relates to goods sent between stations on such railways as are for the time being specified in this behalf by the Director-General in the *Indian Postal Guide*; or

(b) shows on its face that the goods so sent have been declared at the booking office as being sent under the value-payable system.

78. These rules apply also to receipt-notes for goods conveyed by steamer within the limits of British India.

79. Nothing in these rules shall be construed to prevent the transmission by post of receipt-notes under the rules for the time being in force relating to the value-payable post generally.

135. Official postal articles shall be transmitted by post under the following conditions:—

(*a*) The conditions as to rates of postage, size, shape, manner of packing and contents hereinbefore prescribed for the different classes of unofficial postal articles and the rules under which such articles may be registered, insured, or sent value-payable shall be applicable also to official postal articles of the same classes.

(*b*) The weight of an official postal article whether a letter, packet, or parcel shall not exceed 500 tolas.

(*c*) Official postal articles, whether the postage is prepaid or not, shall bear the superscription "On His Majesty's Service", and this shall be supported by the signature and official designation—to be entered in the lower left-hand corner of the article—of the officer who sends the article, or of the Head Clerk or Superintendent of his office or other responsible officer to whom the duty of despatching is entrusted.

NOTE.—Inland rates of postage and conditions shall be applicable also to official letters, postcards, newspapers, and book, pattern, and sample packets, when posted in British India and addressed to any of the places named in the margin for which post offices have been established by the Governor-General in Council beyond the limits of British India or posted at any of the post offices established by the Governor-General in Council at those places and addressed to any other of those places or to any place in British India.

Explanation 1.—Service postcards bear the inscription "On H.M.S." printed immediately above the impressed stamp. In their case, therefore, no further superscription shall be required.

Explanation 2.—Postmasters may recognise abbreviated designations, provided they are generally known, but no official can claim the recognition of an abbreviation the rule being that the designation shall be entered in full.

Explanation 3.—Postmasters may recognise *facsimile* impressions of signatures made by means of stamps, but not such impressions when lithographed or otherwise produced. Public officers who use such stamps, shall make arrangements for their proper custody and use; and where there is any reason to suspect the misuse of any such stamp or the absence of proper precautions against its misuse, postmasters may decline to recognise the stamp impression and require strict adherence to the rule. Printed names shall not be recognised in lieu of signatures except in the case of official Gazettes in open covers posted in large numbers by the office of publication.

(*d*) Service stamps affixed to an article which does not bear the prescribed superscriptions supported by the signature and official designation of the sender shall not be recognised by the Post Office in payment of postage.

(*e*) The delivery and redirection of articles superscribed "On His Majesty's Service" shall be governed by the official designation (when given) of the addressee.

136. The postage chargeable on the delivery of official postal articles, when the postage is not prepaid or is insufficiently prepaid, shall be as follows:—

On an unpaid letter or packet .. .. The prepaid rate.
On an insufficiently paid letter or packet .. .. .. The deficiency.

In cases where it is not thought advisable to entrust postage stamps to a subordinate official who has to correspond with, or to send returns to, a superior, he may be allowed by his superior to post to him official articles other than parcels without prepaying the postage, and the same course may be adopted in other cases where it is found convenient or proper to make the postage charge fall on the receiving office.

NOTE.—The prepayment of postage on parcels is compulsory.

137. The following persons shall be entitled to send official postal articles on His Majesty's Service, subject to the conditions noted against each:

(*a*) All Government officials, except those who are on leave or have retired from the service, provided that the articles posted by them are *bonâ fide* and exclusively on His Majesty's Service:

(*b*) The Registrars of the Universities of Calcutta, Madras, Bombay, Allahabad and the Punjab and of the Educational Syndicate, Burma, provided that the articles posted by them relate solely to the public business of the Universities.

(*c*) The Astronomer in charge of the G. V. Jogga Rao Observatory, Visagapatam, provided that the articles posted by him relate solely to business of the Observatory.

138. Correspondence sent by an officer of a local authority, or by any officer of the Government acting in a capacity connected with a local authority, such as the President or Secretary of a Local Fund Committee, shall not be deemed official correspondence within the meaning of these rules and may not be superscribed as on His Majesty's Service. But nothing in this rule shall be held to prevent the transmission on His Majesty's Service of correspondence sent by an officer of the Government acting as such, although the correspondence may relate to the affairs of a local authority.

Illustration.—The Commissioner of a Division, writing in that capacity to the Secretary of a Local Fund Committee concerning its affairs, may superscribe the letter on His Majesty's Service.

139. The postage and other charges (if any) on an official postal article can be properly prepaid only by a proper service stamp or stamps. Where, however, an ordinary postage stamp instead of a service stamp is used on an official postal article, the article shall be recognised as an official postal article by the Post Office; but the irregularity shall be brought by the officer in charge of the post office at which the article was so posted, to the notice of the officer concerned and, if of frequent occurrence, to that of the Postmaster-General.

NOTE.—Service stamps, envelopes and postcards shall not be sold at post offices but shall be obtainable by Government officials at Government Treasuries.

140. Letters, postcards and packets posted by officers of the Government in their official capacity, addressed to private individuals or associations, shall, even when they relate to the private interests and concerns of the individuals or associations addressed, be sent as official postal articles, prepaid by means of service stamps.

Exception.—Nothing in this sub-rule shall affect the practice of the Law Courts in regard to the despatch of "certified copies" to persons who do not appear to take them personally, and of documents filed in judicial cases the return of which has been applied for. Such documents may be posted by judicial officers in covers superscribed "Service Unpaid" and covers so superscribed shall be charged, on delivery, with postage at the rates to which they would have been liable if the postage had been prepaid. All articles so posted shall be endorsed under the full signature and official designation of the sender, according to the specimen form given on the margin.

143. The amount of postage marked as due on postal articles received by the foreign post for delivery to officers of the Government shall be initialled by the postmaster, or other officer, authorised in this behalf by the Postmaster-General, of the office of delivery.

149. In the case of official letters (not newspapers or other articles) sent by British Packet to or from the public functionaries, departments, etc., in London having special accounts for foreign letter postage with the London Post Office, the prepayment of postage is not necessary if such letters are superscribed as "On His Majesty's Service," under the full signature and official designation of the sender, but when such letters are presented for registration the registration fee shall always be prepaid by means of service stamps affixed to the article in the ordinary way.

The requisition to such other officer may be sent by telegraph, but all expenses attending its transmission shall be borne by the applicant.

(*i*) When the application reaches such an authority as is named in condition (*a*), that authority may order the re-delivery to the sender of the postal article upon being satisfied that the applicant is the sender, and that sufficient reasons have been given for the re-delivery, otherwise the postal article shall be sent at once to its address.

N B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *thirty*, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination, entered in the application, which must invariably be the place where he is employed or ordinarily resides, or should it not be a centre, the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examination in any of the subjects mentioned, at any other place, if he is satisfied that not fewer than *thirty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Application for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 22nd August. Ordinarily, however, only one place will be constituted a centre for each district.

5. The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the Written examination, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette *from time to time.*

6. Candidates whose examinations, either written, or oral and practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by the Director of Public Instruction, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils*.

N.B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

9. Each candidate must, wherever the syllabus requires it, submit, before the 31st August, the necessary drawings, plans, surveys, field books, estimates, or other "certified works". Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the

Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicion attaches to any certified works submitted by pupils from Technical Schools, the Commissioner will be compelled to recommend to the Director of Public Instruction the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (i.e., the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink:—

(1) Name of candidate,
(2) Place of examination,
(3) Subject,
(4) Grade, and
(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled* up with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned.

10. Candidates must send in their applications made out in English on *printed forms, so that they reach the Commissioner's office on or before the 31st August, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

11. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Old College, Nungambakam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mofussil requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Elementary	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	1	4	8
For each stage where a subject is divided into stages	..	2	4

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commissioner's office on or before the 31st August. *On no account will the fee be received in the Commissioner's office, whether sent in cash or by Post Office orders. No application will be registered unless it reaches the Commissioner's office by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fee should be collected by the Headmaster and sent in a lump sum to the Bank of Madras together with two lists of the pupils, one of which will be retained by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to this office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid *being securely fastened to it.*

☞Candidates are warned that the application itself *should not be enclosed* with any drawings, plans, surveys, field books, estimates, or other "certified works" that may be sent, but should be submitted in a *separate* cover.

[Application for admission to the Government Technical Examinations.]

To

The Secretary to the Commissioner
for Government Examinations,
Nungambakam,
Madras, S.W.

N.B.—Candidates anxious to assure themselves that their applications have been received should enclose *an addressed post card in their respective applications.* The post card should bear the sender's address only and no other writing. Such post cards will be returned to them in due course with the "Received" or "Despatched" stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given, nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

15. Candidates should write their names, their father's names and their house names *distinctly* and *in full* in their applications and give their *addresses in full* also. If "Other Hindus", they should state in column 8 of their applications whether they are "Non-Brahman Caste Hindus", or "Panchamas". Applications defective in any particular will be returned.

NOTE.—The occupation or profession of candidates, or the appointments held by them should invariably be stated—in full—in column 10 of their applications.

16. *The fee paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the notification carefully and satisfy themselves, before remitting their fee, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written, or the Oral and Practical examinations.*

17. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (late Preliminary), where the examination is of two grades—Intermediate and Advanced—must in their applications cite the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

18. The examinations in the subjects under "Drawing, etc.," will be conducted in the order of time and subjects set forth in the following table. *Candidates will not be allowed to come up to more than one of the subjects bracketed together for the same time on the same day in the table below, or for more than one grade of examination in the same subject in the same year:—*

2. The period of training is one year in the case of the students of the two higher grades and two years in the case of the students of the Elementary grade lower.

3. The Inspector of European and Training Schools will make the selection on the recommendation of Inspecting officers.

4. Inspecting officers are requested to forward two lists—one of selected and the other of rejected candidates.

5. The lists of selected and rejected candidates should be forwarded to the Inspectors of Schools of the respective circles by the subordinate Inspecting officers in time for the former to consolidate them and forward them to the Inspector of European and Training Schools before the due date. The names of selected candidates should appear in the list in the order in which the subordinate Inspecting officers wish they should be taken, *i.e.*, they should be selected in reference to their general education attainments, their service as teachers, the need for their training and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Educational Rules should not, except in very special circumstances, be included in the list and the selection should be regulated, as far as possible, by rule 115. In the case of rejected candidates, the reasons for rejection should be mentioned against each.

6. To provide for the contingency of some of the candidates selected not joining the Training School, a few more than the sanctioned number will be selected by the Inspector of Training Schools for each range. All selected candidates who present themselves at the Training Schools on the opening day will be admitted; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

7. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

8. In the selection of candidates for training next year, those who were awarded stipends this year but were refused admission on account of their not appearing in time might have a first claim for admission.

9. In addition to Provincial stipendiaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted for training, as also private candidates as free students.

10. As regards qualification for admission, only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school-leaving certificate of the seventh standard are eligible for admission into the elementary higher class and only those who have passed the late Primary School examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than these are eligible for admission into the elementary lower class. Preference should be given, as much as possible, to candidates whose educational attainments are above their minimum requirements. The certificate of general education should

be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendiaries. Separate conduct certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

12 In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the result of an entrance examination conducted by the Sub-Assistant Inspector of Schools. The number of stipends available for each range is the same as that furnished in November 1906.

13 Printed forms of applications can be obtained from the Inspector of European and Training Schools from and after the 31st August 1908.

13 Applications completed in accordance with the above instructions should reach the Inspector of European and Training Schools before the 15th October 1908.

14. Admission into Training Schools for Masters under private management will be regulated by rules 2, 10 and 11 in addition to those contained in Chapter X of the Madras Educational Rules.

RULES.

1. No opium or poppy-heads shall be removed from a storehouse until application in writing has been made to the officer in charge and a pass for their removal has been obtained from him.

2. The issue price of opium and poppy-heads shall be paid before their removal from the storehouse at such rates as may be fixed and notified.

3. When opium and poppy-heads are issued from a Government storehouse, such issues shall be made in quantities of one seer of opium and multiples thereof and of not less than 10 seers of poppy-heads to any vendor licensed for wholesale vend only, and in quantities of a half seer of opium and multiples thereof and of not less than 6 seers of poppy-heads to any vendor licensed for retail vend only.

4. A licensed vendor desiring to procure opium or poppy-heads from the storehouse must first pay the issue price at the prescribed rates into the Government treasury of the taluk in which his depot or shop is situated. He will present with the money a chalan in the prescribed form which may be obtained from the Treasury officer. The latter, after assuring himself that the applicant is a licensed vendor, will grant him a receipt and despatch by post a letter of advice to the officer in charge of the storehouse concerned, intimating the payment of the issue price.

5. The licensed vendor or his authorised agent will then apply for the issue of the opium or poppy-heads at the Government storehouse concerned and must produce the treasury receipt before the Storehouse officer. The latter will issue the opium or poppy-heads, as the case may be, to the applicant after comparing the treasury receipt with the letter of advice from the Treasury officer.

6. The consignment must be taken before the officer authorised to examine consignments by the Collector of the district to which it is transported, and no consignment of opium or poppy-heads received into a depot or shop shall be opened before it has been verified by such officer.

7. Packing charges at the storehouse in respect of opium or poppy-heads issued otherwise than for Government purposes must be defrayed by buyers before removal. They should also make their own arrangements for the removal of the consignments from the storehouse.

8. No person except a licensed vendor or his accredited agent or servant shall be allowed access to a storehouse and every such person shall be liable to be searched on entering or leaving the storehouse, for the purpose of ascertaining if he has opium or poppy-heads secreted about him.

9. All cases, bundles and other articles in the possession of any person shall be liable to examination when being taken into or removed from the storehouse and no person entering a storehouse shall be permitted to take with him any article except such as may be required for the packing of the opium or poppy-heads to be purchased by him.

10. Any person found guilty of any breach of the Opium Act, 1878, or of any rule framed thereunder or otherwise committing any offence in respect of the storehouse or of the storehouse officials, or of any property contained in the storehouse may be excluded from the storehouse by order of the Storehouse officer.

11. Stocks of opium or poppy-heads will be maintained at Taluk kacheris, wherever the Collector may so direct, for supply to shopkeepers or licensed druggists at prices to be fixed by the Board. In these cases, the price should be paid at the treasury at which the purchase is made and the consignment should be covered by a pass granted by the Tahsildar.

12. When opium and poppy-heads are issued from a Taluk kacheri, such issues shall be made in quantities of a half seer of opium and multiples thereof or of not less than 5 seers of poppy-heads to any vendor who has obtained a license for retail vend or to any licensed druggist.

13. Opium will be issued from storehouses and Taluk kacheris in uniform cakes of one seer and half seer, no allowance for any excess or drpage in the cakes being made.

License granted to Wholesale Vendors of Opium and Poppy-heads at Depots in the District of

I, , Collector of the District, under the provisions of the Opium Act, I of 1878, hereby license you, , son of residing at , to establish a depot at , in the Town of , for the wholesale vend of Opium and Poppy-heads therein from the 1st day of April 190 to the 31st day of March 190 , subject to the following conditions and stipulations to be observed by you, the said :—

General Conditions applicable to all Abkári and Opium Licenses.

1. Contract suppliers of country spirits are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants in any part of their farms and from employing any person who has such interest. This prohibition does not extend to the wholesale supply of foreign liquor or of rectified spirit to licensed vendors; nor does it prevent distillers from holding an interest in the retail sale of country spirits in areas other than those for which they have been granted the supply contract.

2. The limits within which sales under any abkári or opium license may be carried on will be specified by the Collector at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set-aside for use as a depot or shop. If there are means of communication between the depot or shop and an adjoining dwelling-house, they must be kept locked at night.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (chemists and druggists and medical practitioners excepted). The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A sign-board must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and, in the case of taverns and wholesale depots, in English also. The license must be hung up in a conspicuous place within.

6. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, opium or intoxicating drug found unfit for consumption or use, or which they may believe to have been tampered with, and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkári and Customs Department are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 14 or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Collector may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M.* except under special authority.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depot or shop during the night.

* 10 P.M. in the Madras Town.

13. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is encamped in the vicinity or in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

14. The Collectors may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interests of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. Collectors may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

15. The right is reserved to the Collector to grant "Occasional Licenses" for the sale of liquor, opium and intoxicating drugs, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the Collector's discretion.

16. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors, soldiers and the members of their families, or
(2) to any other person living in barracks;

(b) whilst on duty, to any—

(1) camp-follower, member of the Police force, or officer of the Salt, Abkári and Customs Department;
(2) servant of a Railway Company; or

(c) in any circumstances, to any—

(1) European vagrant under escort of the Police;
(2) child under fourteen years of age;
(3) insane person; or
(4) person known or believed to be intoxicated.

18. No privilege of supply on vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any abkári or opium licenses will be allowed, without special permission from the Collector, to possess any interest in any abkári or opium licenses in any foreign territory or British territory to which the duty is lower, adjacent to the district in which he holds his license.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised by the Collector, and such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained thereon. Shops not opened by dates to be fixed by the Collector shall be liable to be resold at the risk of the licensee.

19. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

20. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

21. No liquor, opium or intoxicating drug in excess of the quantity prescribed ‡ for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall they be sold at wholesale depots in quantities less than the minima prescribed.

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. § The accounts and permits shall be in printed books. The account books may be obtained

† For opium shops in the Ganjam, Vizagapatam and Godávari districts, and in the taluks of Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem of the Kistna district, no uniform rate of one rupee per two and a quarter tolas has been fixed.

In the Agencies of Ganjám, Vizagapatam and Godávari, any quantity up to such limit not exceeding six tolas as the Board may, from time to time, prescribe, and elsewhere three tolas of opium or preparations therefrom other than morphia or preparations for smoking, five seers of poppy heads.

from local Revenue officers on payment of cost price. The permit books can be obtained at all Circle offices on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Salt, Abkári and Customs Department.

23. Such returns and information as may be required by the Collector from time to time shall be furnished by holders of licenses.

24. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkári and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and
(2) any officer of the Salt, Abkári and Customs Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, opium and intoxicating drugs under sale, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

26. An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the Circle or any officer authorized by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 10th * of each month beginning with April or October as the case may be. Fees for depots should be prepaid.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be collected * under the Revenue Recovery Act or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Collector.

30. Power is further reserved to Revenue officers to suspend * licenses in case of failure of payment of kists or (in the case of toddy) tree tax also on the due dates. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars, † in the case of opium shops by Divisional officers and in other cases by the Collectors.

31. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be re-sold with effect from the date of issue of license to the new purchaser or otherwise disposed of at the Collector's discretion. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of 6 per cent. per annum.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

Either (*a*) fine up to Rs. 50,
or (*b*) forfeiture of deposits, if any, and cancellation of license and re-sale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Abkári / Opium Act, or of any offence under the Indian Penal Code, which in the Collector's opinion renders him unfit to hold it. The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Collector all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Abkári / Opium laws or of engagements entered into by

* Shops are liable to be re-sold for failure to pay kists only after the 20th. In the meantime interest will be levied. In the Madras Town Circle, however, separate orders are in force in this regard.

them and to comply with the Collector's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Collector's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkári and Customs Department are absolutely prohibited.

37. With the sanction of the Board of Revenue, any license shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Abkári laws and, if so required by the Collector or any officer authorized by him, to deliver up their Opium licenses for amendment or for the issue of fresh ones.

Conditions applicable to Opium Licenses.

1. The licensee shall be bound by the rules prescribed under the Opium Act now in force, or such other law as may hereafter be enacted, in the Notification of Government (No. 124, dated 21st March 1903, published on pages 371-374 of the *Fort St. George Gazette*, dated 24th March 1903, Part I, as subsequently amended) and of the Board (No. 14, dated 10th August 1908) and any additional general or special rules which may from time to time be notified.

2. The smoking or consumption of opium or its preparations in any form in premises licensed for sale and the sale of morphia or preparations for smoking are prohibited.

3. No depot or shop shall be opened without a license from the Collector. The usual counterpart agreements must be executed by the licensees.

4. Discretion is reserved to Collectors to issue separate licenses to any person for the sale of poppy-heads on payment of a fee of eight annas, and to any licensed druggist for the sale of opium and poppy-heads and the manufacture and sale of opium preparations for medical purposes only. Private persons are permitted to manufacture intoxicating drugs and smoking preparations for their own use *only* provided they do not exceed the limit for possession.

5. Wholesale depots may be established by shopkeepers or private persons under licenses to be issued in this behalf for distribution of opium and poppy-heads to shops.

6. The price of opium at the storehouses will be notified separately by the Board of Revenue.

7. No consignments of opium and poppy-heads obtained from a Government storehouse shall be opened before they have been verified and passed by an authorized Government officer.

Special Conditions applicable to Opium Wholesale Depot Licenses.

1. The privilege conferred extends only to sale by wholesale of opium and poppy-heads in depots duly sanctioned.

2. Wholesale depotkeepers shall obtain their supply of opium and poppy-heads from a Government storehouse in quantities of one seer and multiples thereof of opium and not less than ten seers of poppy-heads at a time or from another wholesale vendor, within the district, with the special authority of the Collector. Wholesale depotkeepers may fix their own prices for issue to persons authorized to purchase from them.

3. The issues by wholesale depotkeepers from their wholesale depots must be in quantities exceeding three tolas of opium or five seers of poppy-heads at a time, and under valid transport passes. In the case of the Chingleput district issues from wholesale depots shall not be made to shops in the Saidapet taluk which is included in the Madras Town Circle.

4. Depotkeepers will be permitted to sell any quantity not exceeding one seer of opium or ten seers of poppy-heads to any licensed druggist under valid transport passes.

5. The licensee shall keep no greater quantity than seers of opium and seers of poppy-heads.
